(1) In this Act, unless the context otherwise requires—

“**affordability**” means that—

- (a) the financial commitments to be incurred by a contracting authority in terms of a project agreement can be met by funds—
 - (i) designated within the existing budget of the contracting authority for its function for which the agreement relates; and
 - (ii) assigned to the contracting authority in accordance with its relevant future budgetary allocation:

Provided that the commitment shall be sustainable and shall not impose an unreasonable burden to the contracting authority; and

- (b) the cost of delivering a facility or service in relation to the project by the contracting authority does not impose an unreasonable financial burden on the end users;

“**Cabinet Secretary**” means the Cabinet Secretary responsible for matters relating to finance;

“**Committee**” means the Public Private Partnership Committee established under section 4;

“**concession**” means a contractual licence formalised by a project agreement, which may be linked to a separate interest or right over real

property, entitling a person who is granted the licence to make use of the specified infrastructure or undertake a project and to charge user fees, receive availability payments or both such fees and payments during the term of the concession;

“contracting authority”, means a State department, agency, state corporation or county government which intends to have a function undertaken by it performed by a private party;

“contracting authority’s property” includes all movable and immovable property belonging to the contracting authority and the intellectual property rights vested in the contracting authority;

“feasibility study” means a study undertaken to explore the technical, financial, legal, social and environmental feasibility of undertaking an infrastructure or development facility as a public private partnership;

“node” means a public private partnership node established by a contracting authority under section 16;

“private party” means a party that enters into a project agreement with a contracting authority and is responsible for undertaking a project on behalf of the contracting authority under this Act;

“privately initiated investment proposal” means a proposal that is originated by a private party without the involvement of a contracting authority and may include information that enables a complete evaluation of the proposal as if it were a bid;

“project” means the design, construction, development or operation of a new infrastructure, asset or facility or the rehabilitation, modernisation, expansion, operation or management of an existing infrastructure, asset or facility;

“project agreement” means a contract concluded between a contracting authority and a private party and includes any ancillary agreement entered into by the parties in relation to an agreement;

“proposal evaluation team” means a proposal evaluation team constituted under section 47;

“public private partnership” means an arrangement between a contracting authority and a private party under which a private party—

- (a) undertakes to perform a public function or provide a service on behalf of the contracting authority;
- (b) receives a benefit for performing a public function by way of-
 - (i) compensation from a public fund;

- (ii) charges or fees collected by the private party from users or consumers of a service provided to them; or
 - (iii) a combination of such compensation and such charges or fees; and
- (c) is generally liable for risks arising from the performance of the function in accordance with the terms of the project agreement;

“**public private partnership agreement**” means a contract concluded between the contracting authority and a project company under which the project company is entrusted to undertake a project;

“**special purpose vehicle**” means a company incorporated in Kenya by the successful bidder, the sole purpose of which shall be to execute the public private partnership contract awarded;

“**transaction advisor**” means a person appointed in writing by a contracting authority who has the appropriate skill and experience to assist and advise the contracting authority or the unit on matters related to a public private partnership, including the preparation, accession and conclusion of a project agreement and the financial close;

“**unit**” means the public private partnerships unit established under section 11;

“**user fee**” means the rate, toll, fee, or other charge imposed for the use of all or part of an infrastructure or development facility or service;

“**value for money**” means that the undertaking of a public function of the contracting authority by a private party under a public private partnership results in a net benefit accruing to that contracting authority defined in terms of cost, price, quality, quantity, timeliness or risk transfer.

(2) Despite subsection (1), until after the first elections under the Constitution, references in this Act to the expression “**Cabinet Secretary**” and “**State department**” shall be construed to mean “Minister” and “Ministry” respectively.

3. Application

The provisions of this Act shall apply to every contract for the financing, construction, operation, equipping or maintenance of a project or for the provision of public services undertaken as a public private partnership.

- (l) assist the Committee in formulating guidelines and standard documentation required under this Act;
- (m) liaise with and assist the contracting authorities in their roles in the various stages of a project cycle;
- (n) ensure that the tendering process relating to a project conforms to this Act and to procurement best practices;
- (o) put in place measures to eliminate constraints limiting the realisation of benefits expected from a public private partnership;
- (p) monitor contingent liabilities and accounting and budgetary issues related to public private partnerships with the relevant offices within the State department responsible for finance; and
- (q) carry out such other functions as may be conferred on it by the Committee and this Act.

(3) The unit shall prepare financial accounts and an inventory of any monies allocated to it, any financial support received by it and any success fees received by it from a private party or project company as the case may be, under this Act.

15. Rules for framework of the unit

The Cabinet Secretary shall make rules for the administrative and financial framework of the unit, the relationship of the unit with other State departments and organizations and the conduct of the affairs of the unit.

PART IV – ESTABLISHMENT OF PUBLIC PRIVATE PARTNERSHIP NODES

16. Establishment of a node

(1) A contracting authority that intends to enter into a public private partnership arrangement with a private party shall establish a public private partnership node.

(2) A node established under subsection (1) shall be headed by the accounting officer of the contracting authority and shall consist of such financial, technical, procurement and legal personnel as that authority shall, in consultation with the unit, consider necessary for the performance of its functions in relation to a project under this Act.

17. Functions of a node

(1) A node shall, on behalf of the contracting authority—

- (a) identify, screen and prioritize projects based on guidelines issued by the Committee;
- (b) prepare and appraise each project agreement to ensure its legal, regulatory, social, economic and commercial viability;
- (c) ensure that the parties to a project agreement comply with the provisions of this Act;
- (d) undertake the tendering process in accordance with this Act and any other written law;
- (e) monitor the implementation of a project agreement entered into with the contracting authority;
- (f) liaise with all key stakeholders during the project cycle;
- (g) oversee the management of a project in accordance with the project agreement entered into by the contracting authority;
- (h) submit to the unit, annual or such other period reports on project agreements entered into by the contracting authority;
- (i) maintain a record of all documentation and agreements entered into by the contracting authority relating to a project under this Act;
- (j) prepare projects in accordance with guidelines and standard documents issued by the Committee under this Act;
- (k) ensure that the transfer of assets at the expiry or early termination of a project agreement is consistent with the terms and conditions of the project agreement, where the project agreement involves a transfer of assets; and
- (l) carry out such other functions as may be assigned to it by the contracting authority.

(2) In performing its functions under subsection (1), a node shall report to the unit and shall -

- (a) implement the recommendations and guidelines issued by the unit; and

- (b) submit such information as shall be required by the unit or the Debt Management Office.

PART V – PUBLIC PRIVATE PARTNERSHIPS

18. Entering into a project agreement

(1) A contracting authority that intends to finance, operate, equip or maintain an infrastructure facility or provide a service may enter into a project agreement with any qualified private party for the financing, construction, operation, equipping or maintenance of the infrastructure or development facility or provision of the service of the Government in accordance with the provisions of this Act.

(2) A contracting authority under subsection (1) may, where it considers it appropriate, designate its assets for the use by a private party, in relation to, and for the duration of a project on such terms and conditions as the contracting authority shall consider appropriate.

19. Public private partnership arrangements

Subject to the provisions of this Act, a contracting authority may enter into a public private partnership with a private party in accordance with the Second Schedule or in accordance with such other arrangement as may be approved by the Cabinet Secretary.

20. Sector diagnostic study and assessment

A contracting authority shall, prior to entering into public private partnership arrangements pursuant to section 19, undertake a sector diagnostic study and assessment covering the following—

- (a) technical issues;
- (b) legal, regulatory and technical frameworks;
- (c) institutional and capacity status;
- (d) commercial, financial and economic issues; and
- (e) such other issues as the Cabinet Secretary may stipulate.

21. Duration of a public private partnership

In determining the duration of a public private partnership, a contracting authority shall take into account the following factors—

- (a) the provisions of any relevant written law;
- (b) the life span of the technology to be employed;
- (c) the investment standards that are required to be maintained by each party to the project agreement throughout the duration of the partnership;
- (d) the economic and financial viability of the project and the economic life of the facilities to be provided;
- (e) the depreciation of the project assets during the life of the contract; and

- (f) the period of time that may be required by the parties to the partnership to—
- (i) meet and maintain throughout the duration of the partnership, the service delivery standards and investment levels; and
 - (ii) recoup their investment.

22. Execution of a project agreement

Where a contracting authority intends to enter into a public private partnership, a person shall not, unless he is the accounting officer of the authority, enter into a project agreement in relation to that project on behalf of the authority.

23. Submission of project lists

(1) Each contracting authority shall prepare a list of projects that it intends to undertake on a priority basis under this Act and shall submit the list to the unit for assessment.

(2) A contracting authority shall not submit a project list under subsection (1) unless the projects are part of the development program of that authority.

24. Approval of projects by the Committee and Cabinet

(1) The unit shall assess the project lists submitted to it by the contracting authorities under section 23 and submit the lists, together with its recommendations, to the Committee for approval.

(2) Upon receipt of the project lists, the Committee shall consider lists and the recommendations of the unit and prepare and submit to the Cabinet for approval, a national priority list.

(3) The Cabinet Secretary shall prescribe the thresholds for approval and the carrying out of projects by the county governments under this Act.

25. Publication of approved projects

The unit shall publish in the electronic and print media, the national priority list of projects that has been approved under section 24.

26. Pre-qualification procedures by contracting authority

A contracting authority which intends to enter into a project agreement with a private party shall confirm that the private party has—

- (a) the financial capacity to undertake the project;
- (b) the relevant experience in undertaking projects of a similar nature; and
- (c) the relevant expertise to undertake the project.

27. Guarantee or letter of comfort by the Government

The Cabinet Secretary may, in consultation with the Debt Management Office and the Committee, where it considers it necessary to support a project and in order to reduce premiums factored for political risks, issue a guarantee, undertaking or binding letters of comfort in relation to a project.

28. Price setting and success fees

(1) In setting the price for the purpose of determining the cost of delivering a facility or services in relation to a project under this Act, the parties to a public private partnership shall be guided by the prevailing market rates based on competition or, where it is not possible to determine the prevailing market rates, the setting of the price shall be based on the full allocation of cost of such facilities or services or on international best practices.

(2) The cost of delivering a facility or service determined under subsection (1) shall be affordable to the Government and provide value for money to the contracting authority while enabling the private party to maintain its financial integrity, attract capital, operate efficiently and compensate a private party for any assumed risk.

(3) The Committee may, where it considers it appropriate and in consultation with the unit, impose a success fee on a transaction to be paid by a successful bidder in accordance with the tender documents.

(4) The Cabinet Secretary shall make rules for determining the success fees under this section.

**PART VI – PROJECT IDENTIFICATION
AND SELECTION OF PRIVATE PARTY****29. Procurement through competitive bidding process**

(1) Except as otherwise provided for under this Act, all projects shall be procured through a competitive bidding process.

(2) In procuring and awarding a contract to a private party under this Act, a contracting authority shall be guided by the principles of transparency, free and fair competition and equal opportunity in accordance with the guidelines made under this Act.

30. Issuance of guidelines

The Committee shall issue guidelines for the identification, selection, pre-tender approval, tendering, negotiation, post-tender approval and monitoring processes of public private partnerships.

31. Project identification, selection and prioritization

(1) A contracting authority which intends to implement a project through a public private partnership under this Act, together with the unit and the node, shall, subject to section 24, be responsible for conceptualizing or identifying potential projects and undertaking the preparatory and tendering process of the project.

(2) In conceptualizing, identifying and prioritizing potential projects under this Act, a contracting authority shall consider the strategic and operational benefits of entering into a public private partnership arrangement compared to the development of the facility or provision of the service by the contracting authority.

(3) Where a contracting authority considers it appropriate to implement a project through a public private partnership, it shall submit a report of the

consideration and analysis under subsection (2) and a project proposal in relation to the project to the Committee for approval in the prescribed form.

(4) A contracting authority that receives approval under subsection (3) shall, apply the recommendations of the unit in all its procedures while undertaking the project.

32. Project preparation and appraisal

(1) A contracting authority shall constitute a project appraisal team for the purpose of overseeing the preparation phase of the project in accordance with regulations made under this Act.

(2) A project appraisal team constituted under subsection (1) shall consist of a representative of the unit and such technical, financial and legal experts of the contracting authority, as the authority shall determine.

(3) A contracting authority shall include in the project appraisal team a member of the node established by that contracting authority under section 16 and such other persons as the authority shall consider necessary for the performance of the functions of the project appraisal team.

33. Feasibility study

(1) A contracting authority shall, in consultation with the unit and upon the approval of the project proposal by the Committee, undertake a feasibility study of the project it intends to implement under a public private partnership for the purpose of determining the viability of undertaking the project under this Act.

(2) In undertaking a feasibility study under subsection (1), a contracting authority shall consider—

- (a) the technical requirements of the project;
- (b) the legal requirements to be met by the parties to the project;
- (c) the social, economic and environmental impact of the project; and
- (d) the affordability, value for money and public sector comparator for the project as prescribed in the regulations made under this Act.

34. Report

A contracting authority shall, upon conducting a feasibility study under section 33 prepare a report in the prescribed form not later than two months after the study.

35. Approval of feasibility report by Committee

(1) The contracting authority shall submit the feasibility report prepared under section 33 to the unit for review and evaluation.

(2) The unit shall submit the feasibility report to the Debt Management Office for assessment and approval of the fiscal risk and contingent liabilities of the project.

(3) The unit shall submit the report together with its recommendations and the approval of the Debt Management Office to the Committee for approval.

(4) The Committee shall, in determining whether the contracting authority should tender for a project under this Act, consider the report and the recommendations of the unit and the approval of Cabinet.

36. Assessment of contracting authority's technical expertise to procure services

(1) The unit shall assess the technical expertise of the contracting authority to procure the development of a project under this Act.

(2) Where the unit finds that the contracting authority does not have the technical expertise to procure the project under this Act, the contracting authority shall appoint a transaction advisor to assist the authority in the procurement process.

(3) The engagement of a transaction advisor under subsection (2) shall be based on the principles of disclosure, transparency, equality, free competition and equal opportunity in accordance with the procedure prescribed by the Cabinet Secretary under this Act.

PART VII – SOLICITED PROPOSALS

37. Invitation of requests for qualification

(1) A contracting authority shall, upon the approval by the Committee, invite requests for qualification by notice in at least two newspapers of national circulation and in the electronic media.

(2) A contracting authority shall, in the notice issued under subsection (1), specify the eligibility criteria of a bidder and may require bidders to provide such statements or documents as proof of their eligibility.

(3) The publication of any advertisement and the tendering process under this Part shall be undertaken by the contracting authority in consultation with the unit.

38. Qualification of private party

(1) A person who intends to request for qualification for a project under this Act may constitute a consortium for that purpose.

(2) A person or consortium qualifies to request for qualification if the person or consortium—

- (a) meets the criteria specified in the request for qualification issued by the contracting authority;
- (b) has the technical capability and financial capacity to undertake the project;
- (c) has the legal capacity to enter into a project agreement with the contracting authority under this Act;
- (d) is not insolvent, in receivership, bankrupt or in the process of being wound up; and
- (e) is not precluded by the contracting authority from entering into an agreement for the purpose of undertaking the project.

39. Pre-qualification committee

(1) The contracting authority shall, upon issuing a notice under section 37, constitute a pre-qualification committee for the purpose of pre-qualifying bidders under this Part.

(2) A pre-qualification committee constituted under subsection (1) shall consist of a representative of the unit and the node and such technical, financial and legal experts as the contracting authority shall consider necessary.

(3) The contracting authority may, where it considers it appropriate, constitute the project appraisal team as the pre-qualification committee for purpose of pre-qualifying bidders under subsection (1).

(4) The Cabinet Secretary shall make rules to regulate the pre-qualification process by the pre-qualification committee under this Part.

40. Disqualification of a private party

(1) A pre-qualification committee shall consider the requests for qualification submitted to the contracting authority in accordance with the notice issued under section 37 and shortlist the qualified bidders.

(2) A pre-qualification committee shall disqualify a bidder if that bidder—

- (a) submits false, inaccurate or incomplete information in relation to his or its qualifications;
- (b) colludes, connives or is involved in any corrupt or dishonest practice;
- (e) fails to meet the eligibility criteria; or
- (f) contravenes the provisions of this Act or any other written law in order to have an unfair advantage over other bidders in the award of the tender.

(3) A private party may object to the decision of the pre-qualification committee not to shortlist a bidder under subsection (1).

(4) An objection under subsection (3) shall be determined by the Petition Committee in accordance with section 67.

41. Preliminary bidders meeting

(1) A contracting authority may, in consultation with the unit, hold a preliminary meeting with the bidders who are shortlisted under section 40.

(2) The contracting authority shall, during the preliminary meeting, deliberate on issues related to the project specifications and initial preliminary conditions and respond to any enquiry made by the bidders in relation to the project.

(3) Any enquiry made by a bidder and response issued by a contracting authority in relation to a bid shall be communicated to all shortlisted bidders.

42. Alteration of specifications

(1) A contracting authority may alter the specifications of a project based on the deliberations of the preliminary meeting held under section 41.

(2) The alterations made by a contracting authority under subsection (1) shall not affect the pre-qualification criteria of the bidders under section 40 and shall be made prior to the issuance of an invitation to bid under section 43.

43. Invitation to bid

(1) A contracting authority shall, in consultation with the unit, prepare an invitation to bid and tender documents in relation to a project in accordance with subsection (2) for the purpose of inviting bids.

(2) Tender documents prepared under subsection (1) shall include the following information—

- (a) general information related to the project necessary for the preparation and submission of a bid;
- (b) specifications of the project including the technical and financial conditions that should be met by a bidder;
- (c) specifications of the final product, level of services, performance indicators and such other requirements as the contracting authority and relevant regulatory bodies shall consider necessary including the safety, security and environment preservation requirements to be met by a bidder;
- (d) basic terms and conditions of the project agreement including non-negotiable conditions;
- (e) the criteria and method to be used in evaluating a bid;
- (f) the forms and documents that are required to be filled and submitted by a bidder;
- (g) the value of the bid security required to be submitted by a bidder;
- (gg) conditions under which bidders may submit request for clarifications; and
- (h) the deadline and place for submission of the tender documents by a bidder.

[Act No. 14 of 2015, s.60.]

44. Submission of bids

(1) A bidder who intends to bid for a project under this Act shall complete and submit a technical and financial bid and enclose each bid in a separate sealed envelope as may be specified by the contracting authority.

(2) A contracting authority shall not open the financial bid submitted by a bidder unless it has opened and approved the technical offer submitted by that bidder in accordance with section 47.

(3) The Cabinet Secretary shall make rules for the submission and opening of tender documents under this Part.

45. Competitive dialogue

(1) A contracting authority may, in consultation with the unit and with the approval of the Committee, hold a competitive dialogue with each bidder to define the technical or financial aspects of the project in the manner prescribed under this Act.

(2) A contracting authority may require a bidder to submit to the authority, a technical and financial non-binding proposal for discussion with the authority.

(3) A competitive dialogue under subsection (1) shall be held with each bidder on the basis of equality and transparency.

(4) The discussions held during a competitive dialogue shall be confidential and shall not be disclosed to any person by any party to the discussions.

(5) After concluding the competitive dialogue stage, the contracting authority may alter project specifications, risk matrix or structure and may re-open pre-qualification for the project, while keeping the initial pre-qualified parties qualified.

46. Bidding by a consortium

(1) Where a bidder is a consortium constituted for the purpose of bidding for a project under this Act, the bidder shall submit the bid in the name of the consortium.

(2) A consortium under subsection (1) shall submit, together with the bid submission, proof that each member of the consortium has consented to join the consortium and participate in the bidding process.

(3) A consortium shall appoint a person from among its members to represent the consortium in any discussions held with the contracting authority and shall submit, together with its bid documents, a notice of the appointment of the representative.

(4) A person who is a member of a consortium shall not submit a bid, whether directly or indirectly or through another consortium or a company which submits a bid and in the case of a company, if that person owns a majority of the shares or has control over its management.

(5) The proposal evaluation team shall disqualify a consortium which submits a bid contrary to this section.

(6) A contracting authority may, where a member of a consortium withdraws from the consortium, disqualify that consortium from participating in the bidding process or review the terms and conditions of a project agreement entered into with the consortium.

(7) The provisions of subsection (6) shall not apply where the consortium replaces the member who withdraws with another party so as to ensure that the consortium remains eligible throughout the tender and implementation process except for construction and design criteria at the later stage of the project.

(8) Each member of a consortium which submits a bid under subsection (1) shall be bound jointly and severally by the terms and conditions of the project agreement and shall be jointly responsible for the performance of the obligations under the agreement.

47. Evaluation of technical bids

(1) A contracting authority shall constitute a proposal evaluation team for the purpose of evaluating bids submitted to it by bidders under this Act.

(2) A proposal evaluation team constituted under subsection (1) shall consist of—

- (a) at least one representative of the contracting authority nominated by the Cabinet Secretary in the relevant State department;

- (b) a representative of the node established within the contracting authority;
- (c) a representative from the relevant regulatory body;
- (d) a representative of the unit; and
- (e) a representative of the Attorney-General.

(3) The proposal evaluation team shall open and evaluate the technical bids submitted to the contracting authority under section 44 within the time and in accordance with the procedure specified in the tender documents and rules made under section 44(3).

(4) The proposal evaluation team may constitute committees for the purpose of receiving bids and carrying out a technical and financial evaluation of the bids.

48. Evaluation of financial bids

(1) The proposal evaluation team shall invite the bidders who have been pre-qualified on the basis of their technical bid under section 47 to attend a meeting for purpose of opening the bids on the financial offer.

(2) The proposal evaluation team shall evaluate the tenders on the financial bid and determine the bid that meets the requirements specified in the tender documents.

(3) In evaluating a bid under subsection (1), the proposal evaluation team shall take into account the economic advantage that would accrue to the contracting authority if the bid is accepted and the comparative balance for the financial and technical elements of the bid set out in the tender documents.

(4) The Committee shall not take part in the process of evaluating bids submitted to the contracting authority.

(5) The proposal team shall evaluate bids under this Part in accordance with regulations made by the Cabinet Secretary under this Act.

49. Preparation of evaluation report

(1) The proposal evaluation team shall, upon evaluating the bids and before declaring the first ranked bidder, prepare an evaluation report specifying the evaluation criteria, the manner in which the first ranked bidder satisfied the requirements specified in the tender documents in comparison with the other bidders, and such other information as the contracting authority shall consider necessary.

(2) The contracting authority shall submit the evaluation report prepared under subsection (1) to the Committee for approval.

50. Non-restriction on use of innovation

A contracting authority shall not restrict the use by a bidder of innovation with regard to the means of financing, the application of technology or the management approach that a bidder may use to deliver the procured facilities or services.

51. Non-compliance by a bidder

A proposal evaluation team shall reject a bidder's submission where he does not comply with the conditions and requirements specified in the tender documents or the rules made under section 44.

52. Negotiations

- (1) A contracting authority may, with the approval of the Committee—
 - (a) enter into negotiations with the successful bidder; and
 - (b) request the second ranked bidder to extend the validity of its bid pending the completion of negotiations with the successful bidder.
- (2) The contracting authority shall constitute a negotiating committee consisting of—
 - (a) one person nominated by the unit from among its members;
 - (b) one person nominated by the node from among its members;
 - (c) such persons representing such State departments as the contracting authority may, in consultation with the unit, consider necessary; and
 - (d) where applicable, the transaction advisors appointed by the contracting authority under section 36.
- (3) The negotiating committee shall enter into negotiations with the successful bidder on the technical and financial terms of the project agreement.
- (4) The negotiations carried out under subsection (3) and the resolution of the parties to the negotiations shall not result in an increase in pricing and shall not affect the non-negotiable terms and conditions specified as non-negotiable conditions in the invitation to tender, the financial structure, or the conditions in respect of which there were no reservations raised by the bidder in the bid.
- (5) The parties to a negotiation under this section shall not amend the negotiated terms and terms upon which the bid has been evaluated.
- (6) Where the parties to the negotiations carried out with the successful bidder are unsuccessful, the negotiating committee shall enter into negotiations with the second ranked bidder.
- (7) The provisions of subsection (3), (4) and (5) shall apply to the negotiations with the second ranked bidder.
- (8) The negotiating committee shall conduct the negotiations in accordance with the regulations made by the Cabinet Secretary under this Act.

53. Preparation and submission of project and risk assessment report

- (1) The negotiating committee shall, upon conducting negotiations under section 52, prepare and submit to the contracting authority, a project report specifying the negotiated terms together with its recommendations.
- (2) The contracting authority shall review the project report submitted to it under subsection (1) and shall, where it is satisfied with the recommendations of the negotiating committee, submit the report to the unit.

(3) Where the unit is not satisfied with the recommendations of the negotiating committee, the contracting authority shall refer the project report back to the negotiating committee with its reasons and request for a review of the report.

(4) The unit shall review the project report submitted to it under this section and submit the report to the Debt Management Office for confirmation of its initial approval at feasibility stage based on final contract and preferred bidder submission.

54. Submission of memorandum to Cabinet for approval

(1) The unit shall submit the project report, the financial risk assessment report submitted to it under section 53 and its recommendations to the Committee for consideration.

(2) The Committee shall consider the reports submitted to it under subsection (1) and prepare a report on its recommendations as to whether the project may be undertaken as a public private partnership under this Act.

(3) The Cabinet Secretary and the Cabinet Secretary in the State department responsible for the implementation of the project shall prepare a joint cabinet memorandum based on the recommendations of the Committee under subsection (2) and submit the memorandum to the Cabinet for approval.

(4) Where a project does not pose contingent liabilities to the national or county government, a county government may approve the undertaking of the project within that county under this Act in accordance with regulations made by the Cabinet Secretary under this Act.

55. Ratification of projects for the exploitation of natural resources

Where a concession granted under this Act is for the exploitation of natural resources under Article 71 of the Constitution, the project agreement shall be ratified by Parliament in accordance with the relevant written law.

56. Approval of project

(1) The Committee shall, within a period of thirty days from the date of the decision of the Cabinet or Parliament as the case may be, inform the contracting authority of the decision of the Cabinet or Parliament.

(2) Where the Cabinet approves undertaking of a project or Parliament ratifies the project agreement, the contracting authority shall finalise the project agreement for execution by the parties to the project.

(3) The contracting authority shall communicate the decision of the Cabinet or Parliament as the case may be, in writing, to all bidders who participated in the bidding of the project.

57. Execution of a contract

The contracting authority shall, where the Cabinet approves or Parliament ratifies the undertaking of a project as a public private partnership under this Act, execute the contract awarded to that bidder.

58. Cancellation of tender

(1) A contracting authority may cancel a tender process at any time before the execution of the contract if fundamentally serious adverse consequences are likely to occur if the tender process is allowed to go on.

(2) A contracting authority shall not cancel a tender unless the Committee approves the cancellation and the proposal evaluation team submits its recommendations to the contracting authority on the cancellation of the tender.

(3) A cancellation by a contracting authority under subsection (1) shall be by notice in writing issued to the bidders of a tender advertised by the contracting authority and shall contain reasons for the cancellation of the contract by the authority.

(4) A notice issued by a contracting authority under subsection (3) shall include the reasons for the cancellation.

(5) The bidders of a tender that is cancelled under this section shall not be entitled to compensation for the cancellation of the tender.

59. Establishment of project company

(1) A successful bidder shall establish a project company in accordance with the Companies Act (Cap. 486) for the purpose of undertaking a project in accordance with a project agreement executed by the parties under section 57.

(2) A company established under subsection (1)—

(a) may include a public body as a minority shareholder in the company; and

(b) shall provide such performance security and fulfil such conditions as shall be specified in the project agreement and prescribed by the Cabinet Secretary under this Act.

(3) The directors of a project company established under subsection (1) shall not wind up the company, alter the legal structure or reduce the share capital of the company unless the directors have applied for, and obtained the written approval of the contracting authority, which approval shall not be unreasonably withheld.

(4) A majority shareholder of a project company shall not transfer any shares held in a project company before the issuance by the contracting authority, of an acceptance certificate confirming its acceptance of the quality of the project undertaken in accordance with the project agreement executed by the parties under section 57.

(5) Notwithstanding the provisions of the Companies Act, where transfer of shares results in the transfer of the control of a project company to a third party, the transfer shall not be valid unless the shareholder has applied for, and obtained the written approval of the contracting authority.

(6) A project company shall not pledge its shares except for the purpose of financing the project.

60. Publishing information upon execution of project agreement

(1) A contracting authority shall, upon the execution of a project agreement by the parties, publish in at least two newspapers of national circulation and in the electronic media, the results of the tender together with the following information—
